## Directors Notes:

*Seasons Greetings* to everyone, Carolyn and I are wishing you a joyeux noel / Merry Christmas and enjoy the time with your families and friends over the next few days. My Christmas gift was a new computer since my motherboard fried a few weeks ago and it has taken until today to get most software and information loaded. If you are planning to attend the International show in January please drop by the booth and congratulate Chapter ON-Y for the excellent layout (looks marvelous on paper).

Safe travelling during the holidays.

## Correspondence:

Well, its been all over the news here in the Knoxville area, so to confirm it, I'm sending you a link to the official announcement that the Honda Hoot is cancelled for this year and possibly for future years. Although this event is in no way a GWRRA affiliated event, the timing of this event directly affects the timing of GWRRA rallies and events as many of our members plan their rides and travels around the Hoot. Distribute it as you wish.
